GOING DEEPER FOR DIVINE ACCELERATION

I KINGS 18:46

Then the hand of the Lord came upon Elijah; and he girded up his loins and ran ahead of Ahab to the entrance of Jezreel.

HAPPY NEW YEAR TO YOU ALL

I thank God for bringing us into this new year, and I pray this year will be blessed for every one of us.

In December, as I waited on the Lord in the days leading up to the Global Prayer Day, He gave me a message for the Fellowship. This message will serve as our guiding theme for the year. The message is, **“Going Deeper for Divine Acceleration.”**

As I reflected on this, the Lord reminded me of the vision given to Ezekiel in Ezekiel 47. The water flowing from under the temple rose from Ezekiel’s ankles, to his knees, then to his waist, and finally became a river he could not cross. It was water too deep to walk through, water in which one had to swim.

As we know, the water flowing from under the temple represents the Holy Spirit. The Lord is calling each of us to go deeper with Him through full submission to His will at all times, and to swim in the flow of the Holy Spirit. We are to be led continually by the Holy Spirit as sons of God. This is how life is brought to a dark and dying world. We must spend more time in the Word of God, more time in prayer, and more time in meditation, so we do not miss our providential path. God desires full alignment with His plans and purposes for our lives and for the Fellowship. This alignment releases divine acceleration

in everything He seeks to accomplish through us.

This is the divine acceleration described in the scripture above, where Elijah, under the power of God, outran the horses and chariots of Ahab to Jezreel after waiting on the Lord for the abundance of rain.

As we wait on the Lord for the rain of revival in the Body of Christ, let us manifest His presence in our lives, giving the world a clear preview of what is ahead. There will be renewal and restoration in our lives even as we wait on Him. Let your light shine in this dark world, revealing a people who operate beyond human capacity through the power of the Holy Spirit, for the glory of God.

This is your time and your season for Divine Acceleration.
